

STUDENT INFORMATION AND PHOTOGRAPHS 2026-27 Consent Form

Anglophone North School District and its schools comply with legislation which protects students' personal information, particularly the *Education Act*, the *Right to Information and Protection of Privacy Act* (RTIPPA) and the *Personal Health Information Privacy and Access Act* (PHIPPA).

Throughout the school year, we may share student information such as a student's name, grade, photograph, video, achievements, artwork, or participation in school activities for purposes such as student achievement, graduations and celebrations, school photos, promotional materials, and positive news

The use of a student's personal information requires consent from a parent/guardian if the student is under 16 years of age. Students aged 16 or older may complete this form themselves. (Policy 311: 6.8.2)

Please complete the following form to indicate which activities you do not consent to and return to the school by _____.

Please check any boxes below if you have specific preferences. **If you have no specific preferences, simply sign and return the form.**

Right to Revoke Consent: Consent may be revoked at any time in writing to the school Principal. Revocation is not retroactive and does not affect information already disclosed under prior consent.

Notes:

1. Students involved in performing arts, scholastic competitions or athletic activities perform or compete in public venues, including school. It is reasonable to expect that photographs or videos may be taken by spectators and the media. Once parents/ guardians or other members of the public are invited, the event becomes a public event and anyone in attendance may take photographs or videos without first obtaining consent. Visitors are reminded to be respectful of other individual's privacy, but the school is not able to control the images captured in these situations and the images may be shared by that person on social media sites.
2. Video surveillance equipment may be used in schools or buses to enhance the safety of students and staff, to protect property and to aid in the identification of intruders or other persons who may pose a risk to school community members.
3. If this consent form is not returned, the default response will be treated as "No Consent", and the student's information will **NOT** be used or shared for the activities listed, including the school yearbook.
